MOTORMAN OUT
WITH FACTS

Suffered for ten years and was about to give up when he began taking Tanlac.

"Tanlac has done the work for me that nothing else could," declared Leonard E. Oberon of 725 Oak Hill, Youngstown, Ohio.

"For ten years," said Mr. Oberon, "I suffered with my nerves and a bad case of stomach trouble. My appetite was very poor and what little I did eat soured and the pain was so awful that it almost doubled me up. I had weak spells and at times became dizzy. I could hardly sleep at night and I felt so miserable that I lost time from my run all along. I tried all sorts of medicine, but kept going down hill until I thought I would have to quit work entirely.

"My first bottle of Tanlac did me so much good that I had kept on taking it until now I am a well man. My appetite is fine, I am picking up in weight and these nerves were a time that my stomach was in better shape. I don't know what it is to be nervous any more and I sleep sound all night long. My wife was also in a nervous, run-down condition, and after taking several bottles she is now enjoying the best of health and feeling fine again."

Tanlac is sold in El Paso by Cordell Drug Co., in Ft. Hancock by Ft. Hancock General Store, and in Fabens by Fabens Drug Co., Adv.

SALES HEAVY;
REALTORS SAY
COSTS ARE UP

Sales of real estate aggregating more than \$100,000 have been made during the past two weeks by James L. Marr and company, James L. Marr, the president, announced Wednesday.

The housing situation, he says, is still acute. There are no houses for rent and none being built for rental purposes. In spite of a one time slump in the price of lumber Mr. Marr says building costs are going up. Within the past 30 days there has been a rise in the cost of lime, plaster, cement and plumbing materials and within the past 10 days there has been an advance in lumber prices. That means the realtor says that there is an immediate outlook for a reduction in building costs.

The End Of November Drive

A Drive For Lower Prices For You—A Drive For Larger Sales For Us—
A Drive To Relieve Christmas Buying Congestion

WE HAVE formed plans for the final four days of November on the biggest scale ever attempted at the Popular. This End of November Drive is designed to distribute reasonable items at prices which leave no question as to their being the best values of the season. This drive will also enable us to relieve, to a big extent, the Christmas rush. Be sure and read our full page Herald advertisement tomorrow. Come each of the four remaining days of November just to realize what this great movement means for you.

Pre-Holiday Sale

In The Blouse Shop

The November drive begins tomorrow in the Blouse Shop. Every blouse in our well selected stock will be offered. Recent underpriced purchases from over-stocked blouse manufacturers have largely contributed to the low level reached during this Pre-Holiday Sale. The brief descriptions presented in no way convey the beauty of the blouses or the wide range of selection or the unusual values.

Blouses At \$8.95

HERE you have choice in georgette blouses in white, flesh and suit shades. Satin blouses in brown and navy. Tricotee blouses in brown, navy, white and flesh. All three lots come in both trimmed and embroidered styles. The blouses in this lot sold regularly at \$13.50. They are a Pre-Holiday Sale at \$8.95.

Blouses As Gifts

OUR Pre-Holiday sale of blouses will be an opportunity time to select blouses for gifts. We have assembled pretty holiday gift boxes to add the finishing touch to this ideal gift for a woman. If there is someone on your Christmas gift list to whom a blouse will be acceptable, be sure to make the purchase now.

Blouses At \$4.75

GEORGETTE blouses in flesh and white, as well as suit shades, are included in this offer. Some of these blouses are trimmed with neat Val. lace, others in pretty designs in silk embroidery and a limited number of crepe de chine blouses are included in this lot. These are regular \$6.50 blouses. Pre-Holiday Sale at \$4.75.

Blouses At \$5.50
